REGISTRATION and CIRCULATION POLICY

REGISTRATION

Residents. Residents of Clarendon County may borrow books and library materials from the Harvin Clarendon County Library upon establishing their identity and residency in Clarendon County. Residency is established by presenting a valid South Carolina driver's license/ID showing a current Clarendon County address and completing a registration card.

If the borrower does not possess a valid South Carolina driver's license/ID, residency may be established by presenting a valid form of photo ID and one of the following listing a Clarendon County address: rental agreement, mortgage paperwork, property tax receipt, utility bill, or voter registration.

Non-Resident (No Fee). Non-residents permanently employed by an entity or school located in Clarendon County may register by presenting verification of employment and a valid photo ID. Non-residents attending school in Clarendon County, Sumter County residents, and students/employees of Central Carolina may register with photo ID and at no charge if they wish to use just the Harvin Clarendon County Library in Manning or to the Mobile Library. Should non-resident students, Sumter County residents, or students/employees of Central Carolina wish to have access to all SC Lends member libraries, they must pay the \$10.00 user's fee.

Non-Resident (Fee). All other non-residents may register by presenting photo ID and paying a non-refundable user's fee of \$10.00.

Juveniles. Registrants from birth through age 17 are considered juveniles and are required to be registered by an accompanying parent or legal guardian who will assume responsibility for materials borrowed by the child.

Registration Period. Registration is for a period of TWO (2) years, after which borrowing privileges will expire. Patrons must present photo ID to renew their account. Patrons wishing to renew an account with a new address must present appropriate documentation to reflect their updated address. It is the borrower's responsibility to inform the library of any name and address changes or lost/stolen cards. There will be a charge for replacement of library cards unless the card has expired.

Membership Cards. The library card provides a borrowing number to protect the privacy of library patrons. Patrons must present their cards each time they check out/renew materials at the library or use the computers. By accepting the card, the registrant agrees to be responsible for all materials borrowed on that card and for responsible behavior according to all library policies.

All active Harvin Clarendon County Library cards may be used at SC Lends member libraries. When using the card at an SC Lends member library, patron agrees to abide by that member library's policies.
